## EXPERIENCE

### 2023 June - Present

Mid-Developer | Cart made E-commerce Pvt. Ltd. | kalanki, Kathmandu, Nepal

In a mid-sized software development company, I focus on front-end structure and Shopify backend code management. My role involves implementing client feedback, ensuring effective features, and optimizing code. With expertise in front-end development, meticulous code handling, and a proactive approach, I align seamlessly with the industry's goals for success.

### 2022 June - 2022 November

Backend Developer | Blue fox Pvt. Ltd. | Itahari, Sangit chowk

Collaborating closely with fellow backend team members, orchestrating seamless teamwork, and coordinating with the front-end developer to gather valuable feedback for continuous improvement while development.

## EDUCATION

**Itahari International College:** 2020 – 2023 | First Class Honors | BSc (hons) Computing
